

Hook in boys...

Title: Diggersaurs
Author: Michael Whaite
Bite: Bigger than a digger...bigger than a dinosaur...Meet the DIGGERSAURS. Fall in love with these helpful Jurassic giants as they rumble and roll through this rollicking rhyming read.

Title: If I built a Car.
Author: Chris Van Dusen
Bite: Energetic verse, action-packed artwork make this tale of a young inventor's fantastic daydream a joyride. I also have 'If I built a house' - equally engaging.

Title: Stubborn Stanley
Author: Nathaniel Eckstrom
Bite: Stanley is an inventor and he won't let anyone else join in, no matter what! But can he come up with a new plan that means he has fun and makes friends as well as invents amazing things?

Title: Awesome Dawson
Author: Chris Gall
Bite: A new hero comes to save the day, armed only with a wrench, a screwdriver...and a pile of junk! Stunning comic style pictures with loads of dialogue. Definitely a must have.

Book Bites...
a dozen delicious choices!

A collection of books to hook in boys and impact not only on their engagement with reading and writing but to stretch their thinking and get them hands on making and creating.

But wait there's more...cause 12 is never enough.

Title: Alpha Quest
Author: Bruce Whatley
Bite: The most amazing, bizarre and captivating search ever! Find the 26 hidden pieces of the key to unlock the treasure. Challenging text but VERY worthy.

Title: The Legend of Rock, Paper, Scissors.
Author: Drew Daywalt
Bite: Get your battle pants on! You've played the game, now read the legend of the three great warriors who started it all.

Title: Whatcha Building?
Author: Andrew Daddo
Bite: This book is next level good. The illustrations are created using recycled garbage, mono prints and digital tech. A young male hero who shows empathy, initiative and community spirit.

Title: Iggy Architect
Author: Andrea Beaty
Bite: Young Iggy Peck is an Architect and has been since he was two, when he built a great tower - in only an hour - with nothing but diapers and glue! A brilliant series, full of ingenious rhyming fun.

Title: Franky
Author: Leo Timmers
Bite: Sam loves robots. He is certain they live in outer space among the stars. His family laugh at him and no one seems to understand. No one except for Franky, that is...

Title: Gus's Garage
Author: Leo Timmers
Bite: Oh the things Gus stores... whatever will he use them for? Gus solves people's problems but can he solve his own? I LOVE this book!

Title: Robot Stop
Author: Adam Bestwick
Bite: A tale of nuts, bolts and mechanical mayhem! Robbie has a plan for dad's new housework robot that just may go terribly wrong...

Title: Puffin the Architect
Author: Kimberly Andrews
Bite: Even though Puffin is a 'she' her son and daughter play an important part in this book. I love the detailed plans and the amazing illustrations.
